

Architectural Guidelines

Hawks Point

This Architectural Guidelines Document is established to assist the Architectural Review Board (ARB) and Owners with procedures and guidelines through consistent and high quality design standards for the property alteration process. It supports and amplifies the Declaration of Restrictions and Covenants and other governing documents that bind each property Owner. It is provided to residents of Hawks Point for their future reference. This document is not intended to address all possible situations, alterations, etc. Please contact the Hawks Point community management office with any questions.

It is the intention of the ARB to maintain a high standard of exterior architectural appearance throughout the Hawks Point community. The following guidelines have been set up to protect the integrity of the project and the Owner investment in the community. Your adherence to these guidelines will enhance the marketability of Hawks Point.

Property setbacks, easements and other ordinances must be adhered to and complied with in accordance with Hillsborough County Government.

DEFINITIONS

“ARB” shall mean the Architectural Review Board.

“Board” shall mean the Board of Directors of Hawks Point.

“CDD” shall mean Hawks Point Community Development District.

“Declaration” shall mean The Declaration of Restrictions and Covenants for Hawks Point.

“Association” (as defined in the Declaration) shall mean Hawks Point Master Association, Inc., its successors and assigns.

“CCR” shall mean Covenants, Conditions and Regulations

Article I. ARCHITECTURAL REVIEW BOARD

1.01 Responsibilities

In accordance with authority granted to the ARB in the Declaration, specifically paragraph 4.2(b), the ARB shall be appointed and “...shall assume jurisdiction over architectural matters. Such person, committee, or ARB shall have the authority to review and approve or reject plans and specifications for the location, size, type or appearance of any structure or other improvement on a Lot.” In carrying out its duties, the ARB shall review all submittals to assure procedures and standards conform to design guidelines as set forth in these Architectural Guidelines and in the Declaration. The ARB shall keep records and shall maintain a file of all alteration application and activity for a period of not less than seven years.

1.02 Policy

All Owners and their contractors must comply with alteration application guidelines and requirements prior to commencement of any work. The ARB will review plans, materials, site plan, colors and/or landscaping plan to ensure compliance with design requirements, policy and procedures of these standards. **No alteration requiring the approval process shall be commenced until plans and specifications have been submitted to and approved in writing by the ARB. If said alterations are performed without ARB approval, the Association reserves the right to restore the property to its prior condition directly payable by the homeowner.** The Association assumes no responsibility for the structural integrity, safety features, mechanical operation, and permitting or building code compliance of the proposed construction to a lot or a home.

1.03 Committee Discretion

These standards do not cover every possible situation that may require ARB approval. As it applies, the ARB is not authorized to exercise discretion in approving or disapproving a specific proposal as per state statute FS 720. In some special cases Board approval may be needed for a proposal that may conflict with a standard set forth in this document. Board approval does not constitute a precedent for future requests.

ARTICLE 2. PROCEDURES FOR MANAGING PROPERTY ALTERATIONS

2.01 Alterations

Any exterior property alteration (to the home or the lot) requires the completion of an “Application to Architectural Control Committee” form that must be approved by the ARB.

Examples of alterations are:

- Awnings
- Brick pavers: location and color
- Changes to the exterior color of the home (painting)
- Driveways: re-construction/resurfacing/painting
- Elevation or grading changes
- Exterior decoration applied above garage doors and fronts of homes
- Fences
- Flag poles and antennas
- Front door or garage door coverings, such as screen doors or storm doors
- Front door: style and/or color
- Gutters: style, color
- Items in flower beds besides plants
- Lanais, sunrooms and gazebos
- Lighting: placement and size
- Landscaping (refer to Article 4)

Pools, spas, hot tubs, whirlpools
Porches, decks and patios
Roofing
Screen Enclosures
Window replacement/changes

2.02 Prohibited Items

Certain alterations/conditions are not allowed within the Declaration. These include, but are not limited to those listed below. They are considered to be in VIOLATION and subject to immediate action by the Association thru the Violation Procedures.

Sheds or Permanent outside Storage Containers
Window Air Conditioning Units
Satellite Dishes over 39.37 in. Diameter as per FCC rule 47 C.F.R. Section 1.4000
Aluminum, metal, plastic, or fiberglass roofs where the roof pitch is equal to or greater than 3/12 unless covered by composite asphalt/fiberglass multi-tab or dimensional shingles
Wood or asphalt mineral surface roll roofs
Room additions or sunrooms with exterior finishes of aluminum or metal siding.
Plastic or Artificial flowers.
Awnings- No window Awnings allowed.

2.03 Application Procedures

Listed here is an abbreviated description of the application process. The full description of the Procedures can be found in section 4.3.(b) of the CCR. ARB will only process completed applications, including signatures and accompanying plans and specifications, lot plots, colors, pictures, drawings, etc. **Applications must contain all the information necessary for the ARB to make an informed decision or it will be denied.** After receipt by the ARB, the ARB will act on the submission within forty-five (45) days. After the initial 45 day period has elapsed, if the Owner has not received notice of the determination the Owner may make a second written request for approval of the plans previously submitted which shall be marked "Second Request". If the ARB fails to respond to a properly submitted second request within seven (7) business days from receipt, approval shall be deemed given. However, no approval "or improvement governed by such approval" whether expressly granted or deemed granted shall be inconsistent with the architectural guidelines or other governing documents. Owners shall send any second request via USPS, certified mail with return receipt requested, or by commercial overnight carrier that obtains a signed receipt upon delivery. After review, the original submittal will be retained by the ARB and or management company. The ARB minutes of their meetings are available at the community clubhouse. The minutes reflect all approved or denied applications. A determination letter will be mailed to the Owner to notify

the Owner of the ARB's decision. The ARB will give one of the following responses to each application received: **“Approved”** (project approved as submitted), **“Conditional Approval”** (subject to conditions noted), or **“Denied”** (reasons noted in the meeting minutes).

2.04 Completion

Approved projects must be completed within six (6) months of approval by the ARB. After that time, the ARB's approval of the application will expire. A new ARB application must be submitted and approved before any further work can begin. The Board or the ARB retains the right, but not the obligation, to extend time frames for applicant to complete the proposed and approved work. A member of the property management team will verify the work has been done in compliance with the ARB's approval.

2.05 Appeal

In the event the ARB denies any plans, the applicant may request a rehearing by the ARB. If the ARB again denies the applicant's request, the applicant may appeal to the HOA Board. The Board's decision is final.

2.06 Enforcement Process

Any owner through accepted communication to the on-site Property Managers may report violation(s) of any Community Standard or Declaration condition. The policy of the HOA is to have management do property inspections. If Management determines that the alleged violation requires corrective action, Management will then proceed with the approved enforcement process, thru the Violation Procedures and policy as established by the Board of Directors.

ARTICLE 3. HOME DESIGN AND MAINTENANCE

3.01 General

Homes shall be of high quality architectural design that is compatible in external appearance, design and quality with existing structures. “Screened from public view” means using shrubs, trees or an approved material fence that will prevent the object from being seen from the street. **No alteration, addition or modification to any portion of a home shall be made without the receipt of prior written approval of the ARB.**

3.02 Animals/Pets

No animals or livestock of any kind shall be raised, bred or kept within the community for commercial purposes. Owners may keep the number of pets permitted in the Declaration. A determination by the Association that an animal is a nuisance shall be conclusive and binding on all parties. When an Owner receives notice of removal of any pet, the pet shall be removed within 48 hours of giving the notice. No pet or animal shall be “tied out” on the exterior of the home or in the common areas, or left unattended. Pets shall be walked on a leash, in accordance with the leash law. The person walking the pet shall clean up all litter created by

the pet during the walk. Each owner shall be responsible for the activities of their pet. Pets are not permitted in any water body in Hawks Point. No dog runs, dog pens or dog houses are permitted on any property in Hawks Point.

3.03 Awnings

Only Awnings permitted are on the rear of the home over the Lanai and must be neutral in color.

3.04 Artificial Vegetation

No artificial grass, plants or other artificial vegetation, shall be placed or maintained upon the exterior portion of any lot.

3.05 ATVs/Golf Carts/Similar Motorized Vehicles

All-terrain vehicles (ATV), golf carts and similar motorized non state registered vehicles are not permitted to be driven anywhere in Hawks Point. They must be stored in the garage and put on a trailer to be taken out of the neighborhood. This section does not apply to medical equipment.

3.06 Basketball Hoops

The only allowable residential basketball goal is a portable goal, which must be stored at the top of driveway after each use and must not be used after 10pm in accordance with County Ord. o. Sec. 66-97 (noise or nuisance).

3.07 Bird House

One birdhouse and/or bird feeder will be permitted on a revocable and conditional annual basis. If the house or feeder is not maintained or otherwise becomes offensive, the Architectural Control Committee (ARB) has the authority to rescind approval at any time and to require removal of the house or feeder. Birdhouse or feeder may be placed in the **rear yard only** and may be ground supported or suspended/mounted in a tree. **The proposed location shall be at least 5 feet from the property line.** If the home site is a corner lot, house or feeder may be located in the side yard common with the street right of way, not closer than 16 feet to the street pavement adjacent to the side yard and not closer than 40 feet to the street pavement adjacent to the front yard. House or feeder may not be suspended from a **"street tree"** on a corner lot. Ground supported or tree suspended/mounted birdhouses or feeders may not be higher than 6 feet from the ground to the top of the house or feeder. Size and appearance: The Committee will consider the size and appearance of the birdhouse or bird feeder as appropriate to the location on a one by one basis, but in no case shall the total of width plus height plus depth of a birdhouse exceed 50 inches, with maximum dimension of 18 inches, any one side or shall the total of width plus height plus depth of a bird feeder exceed 30 inches, with maximum dimension of 18 inches, any one side. If a ground supported birdhouse or bird feeder is not located in an existing planting bed, then the homeowner shall provide and maintain a mulched area at least 2 feet in diameter at the base of the support.

3.08 Clotheslines

Clotheslines are permitted in the backyard only as per Florida Statute 163.04.

3.09 Commercial Vehicles

Commercial Vehicles [as defined by CCR exhibit C 2A] (vehicles used for work purposes and or vehicles with writing on the sides or equipment racks or holders) are not permitted to be parked on the streets or driveways in Hawks Point. They must be parked inside a garage at all times. The exception to this is a county or government issued vehicle.

3.10 Community Yard Sale Events

No personal events are permitted. The Community may hold two (2) events each year (spring and fall). Property Management will coordinate these events with volunteers. Signage will be placed on common areas. No signage will be placed on individual property.

3.11 Curb Numbers

Hawks Point does not permit painted numbers on curbs.

3.12 Drainage

Roof gutters and downspouts of 6-inch aluminum construction are permitted within the approved color scheme. (See Community Color Book). Downspouts shall not direct water onto common areas or neighboring property and must drain according to approved drainage plan.

3.13 Driveways and Entry way Sidewalks

Any owner changing the appearance to a driveway including color, finish, topping, pavers or complete replacement must submit an application to the ARB for approval. Driveways need to remain free of grease, oil or other stains. Weeds growing through driveway cracks need to be eliminated. Driveways need to be kept free of debris. Driveway reflectors are not permitted.

All paint color, stain color, and finishes including embossing and or stamping patterns must be submitted to the ARB. All driveways should, if possible, permit a full size (20 foot) car to be parked in the driveway and not interfere with sidewalk access.

Driveways may be extended on either side of driveway not exceed 2 feet on each side (for a total of 4 feet). Only concrete or pavers are permitted to line either side of driveway. Driveway may be widened with concrete or pavers to align flush with the interior edge of the entryway sidewalk. This widening may also include the apron to square-off the driveway with the street; however, if an owner chooses to widen the apron of the driveway into the grass of the street easement the owner is responsible for any repairs should access be necessary to that street easement. Any change in size or shape of the driveway must be approved by the ARB.

3.14 Garages

Garage doors must remain closed at all times, except when vehicle/pedestrian access or an activity requires them to be open i.e. working in garage or yard. No garage shall be converted into any type of living area. Any type of car port is not permitted.

3.15 Equipment

Equipment (lawn care, car care, work equipment) is not permitted to be stored in the front of home or sides of home. Any equipment must be stored in the garage or behind the home, where it is not visible from any street.

3.16 Exterior Finish and Colors

Changes to exterior of home require ARB approval. Exterior surfaces shall be of quality standard stucco compound with a knockdown finish or horizontal siding as originally installed by the builder. This shall apply to any and all parts or attachments to any structure on any lot, including barrier walls. All exterior colors must comply with the approved Board of Directors Community Color Book. Accent colors, not exceeding two (2) per structure, not including front door color, will be allowed. Any change of the existing color to one of the approved community color selections requires the Owner to submit an application to the ARB for summary approval stating color selections. Owners wanting to repaint with existing surface colors do not require ARB approval. Stacked stone or rock alterations to a home must be chosen from the approved Community Color Book. An owner must submit an application to the ARB for summary approval stating selection. Stone or rock alterations shall be used for accents only to the home.

3.17 Exterior Lighting

Changes to exterior lighting of home require ARB approval. Coach Lights must be the same or very similar to the lights already installed. Lights must be bronze, silver, pewter, black or white in color. Light fixtures must be proportionate to home. Lights must be mounted to home, left and right of garage door. Minimum height from ground to the bottom of fixture is 6 feet, maximum. Bulbs may be clear or frosted. Yellow or any other color bulbs are not approved except during the winter holiday season.

3.18 Fences and Walls

No walls or fences shall be erected without prior written review and approval of the ARB. The only allowable type of fence is white, vinyl (PVC) fence. No wooden or chain link fences are permitted. The ARB may permit Owners of houses on Lots which abut, run along, intersect with or joint the perimeter of any pond, lake, water body or conservation area to install fences up to six (6) feet; however beginning ten (10) feet from the property line bordering any pond, lake, water body or conservation area, the fence shall drop or graduate to a maximum height of four (4) feet picket style. Picketing gap must be at least two (2) inches. Fences may not be placed further than twelve (12) feet from the rear edge of the house.

Fencing must be consistent with the neighboring lot(s). All Fences shall not be installed flush to the ground so that drainage will be blocked in any way.

Due to the Associations maintenance requirements and responsibilities the installation of fences within a drainage easement area is not expected to be approved to the ARB. However, in the event a fence is installed within a drainage easement area, with prior written ARB approval, the Owner is solely responsible for fence repair or replacement if the drainage easement area needs to be accessed or as otherwise provided in Section 15.9 hereof. In addition to ARB approval, Owner must obtain, at his or her own expense, an agreement in writing executed by the Association approving such fence, which agreement may be recorded by the Association in its sole and absolute discretion.

No bright colors, unusual materials offensive or obscene items will be approved.

ARTICLE 4. LANDSCAPING

4.01 Landscaping Maintenance

Changes to landscape require ARB approval. All Lots shall be landscaped in a manner that is harmonious, compatible and consistent with the overall landscaping and general appearance of the community. Each Owner shall maintain the landscaping and yard area in an attractive appearance and free from insects and diseases. Landscape maintenance shall include care of trees, shrubs, ground cover, annuals, turf grass and irrigation systems. Turf areas should be regularly cut to maintain consistent appearance of quality. All damaged plant material, including ground cover and sod, shall be removed.

Each Owner shall provide for the timely replacement of lost plants, sod or grass, bark or ground cover, and trimming and pruning of plants to prevent an overgrown look. No weeds, underbrush, refuse or other unsightly growth or objects shall be permitted to be grown or remain upon any Home.

Any tree, shrub and flowers planted within original landscape being areas (minor landscaping) are permitted without written approval by the ARB, if maintained in an attractive manner. Plans to alter, change in design or size, the original flower bed areas must be submitted to the ARB for approval. Residents planting annuals do so with the understanding that they are responsible for upkeep and maintenance including removal of annuals when they die. Invasive plants (Brazilian pepper, melaleuca, etc) are not permitted.

Plants and shrubs must be trimmed to a maximum of 36". Hedges may be permitted to grow up to 6' but must be maintained.

Plans to add ANY tree(s), ANY shrub(s), or ANY vegetation which will grow to a height of three feet or taller, first requires the approval from the ARB. Plans to relocate any tree must be submitted to the ARB for approval. Each yard must contain a tree ("street tree") in the street easement. Any hardwood/protected tree must have prior written approval from the county before submitting for ARB approval. Street trees are identified in Section 4.05 Trees.
